Harriet's Cupboard

Harriet's Cupboard is a program of Catholic Charities that collects hygiene items for people in need. The story of Harriet's Cupboard began over 35 years ago with a kind-hearted employee whose name was Harriet. Harriet Labedz knew

how important personal hygiene items were to clients, and how much they appreciated receiving them.

Harriet worked for Catholic

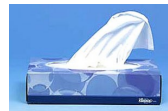

Charities Regional Agency for over twenty years. She would often give a client her own sandwich to eat or bring in toilet paper and other items from her home to give to people in need. Although Harriet has since passed away, her spirit lives on. "Harriet's Cupboard" was established in her memory to provide clients with personal hygiene items, paper products and cleaning supplies. Families who receive SNAP benefits—formerly known as food stamps—cannot use their benefits to purchase personal care items or household products.

How We Help

Many people who come to Catholic Charities for assistance need basic items that many people often take for granted. Therefore, all Catholic Charities service agencies collect these personal hygiene items throughout the year to help restore clients' dignity and self-esteem. Our Agency sites hope to alleviate some stress and make life a little more hopeful for clients in need by providing items from Harriet's Cupboard. These items bring clients one step closer to self sufficiency and make them a little more optimistic about the future.

How YOU Can Help

The success of Harriet's Cupboard DEPENDS ON YOU! We rely on donations from you to fill our cupboard. We are also looking for a "Sponsor of the Month." As a sponsor, you will be asked to collect the items needed for a specific month. You will be featured on our website and social media venues. This brochure contains a Wish List of items needed as well as a Sponsor of the Month Form. Providing items to Harriet's Cupboard ensures an on-going supply of goods for our clients.

Clients cannot use their SNAP benefits to purchase toilet paper.
